Is the above your company's principal place of place of business? <input type="checkbox"/> Yes <input type="checkbox"/> No The term "principal place of business" is defined as follows: <i>A company's principal place of business is generally considered to be the enterprise's main office, where the regular meeting place of its board of directors occurs, and where a company's business is managed, conducted and directed, regardless of where the administrative departments or the physical property of the business are located. For purposes of determining the principal place of business, a foreign business enterprise's principal place of business is not necessarily the same as its state of incorporation. In sum, the determinate is where the actual "business" of the corporation takes place.</i>	
If the above address is <u>not</u> your principal place of business, indicate the full address of your principal place of business below:	
If you are not bidding, place an "x" in the appropriate box and return this page only.	
<input type="checkbox"/> WE ARE UNABLE TO BID AT THIS TIME BECAUSE _____
